RE: Minor amendment-Crandall Canyon Mine Surface Expansion

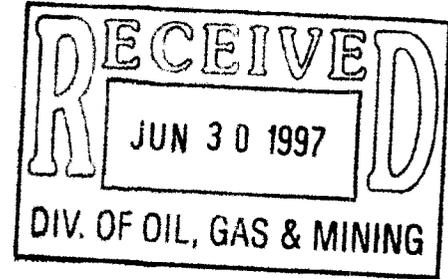

Dear Mr. Carter:

On June 25, 1997, the Utah Division of Oil, Gas and Mining approved the permit for the Crandall Canyon Mine surface expansion (ACT/015/032-96-1). Genwal hereby submits a minor amendment to this permit to accommodate a larger sediment pond. This enlarged pond would be located entirely within the previously approved permit area.

Your expeditious review of this minor amendment would be appreciated.

Sincerely,

Dave Shaver  
Manager of Technical Services
