

**0035 NOTICE OF DECISION  
MILL FORK COAL LEASE TRACT  
UTU-71307**

**USDA-FOREST SERVICE, INTERMOUNTAIN REGION  
MANTI-LA SAL NATIONAL FOREST  
FERRON-PRICE RANGER DISTRICT**

**EMERY COUNTY, UTAH**

On September 23, 1997, Forest Supervisor Janette Kaiser made a decision to consent to competitive leasing of the Mill Fork Lease Tract (Federal Coal Lease Application UTU-71307) by the Bureau of Land Management. The tract is located on the Manti-La Sal National Forest in Emery County, Utah.

Copies of the Forest Service Finding of No Significant Impact/Decision Notice and Environmental Assessment are available upon request from the Forest Supervisor, Manti-La Sal National Forest, 599 West Price River Drive, Price, Utah 84501.

Implementation of this decision may take place on November 17, 1997. This decision is subject to administrative review pursuant to 36 CFR Part 215. Any written appeal must be postmarked or received by the Appeal Deciding Officer, Dale Bosworth, Regional Forester, Intermountain Region, 324 25th Street, Ogden, Utah 84401, by November 7, 1997. Appeals must meet the content requirements of 36 CFR 215.14.

**NOTICE  
DAQE-874-97**

The following notice of intent to construct, submitted in accordance with Section R307-1-3.1, Utah Air Conservation Rules, has been received for consideration by the Executive Secretary, Utah Air Quality Board:

Covol Technologies Incorporated  
3280 North Frontage Road  
Lehi, Utah

Project Location: Take Highway 6 east from Wellington, Utah, and travel 2 miles, turn right and follow road for 1 miles to tailings impoundment.

Project Description: Covol Technologies has developed a patented process for reclaiming coal tailings impoundments. Covol will be installing this new facility between Price and Wellington in Carbon County. This area is in compliance with the national air quality standards. New source Performance Standards subpart A and Y apply to this source. Title V applies to this source.

The Proposed Emissions increase will be (A negative sign indicates a decrease in emission rates.):

Particulate.....	6.91
PM <sub>10</sub> .....	3.74
SO <sub>2</sub> .....	1.53
NO <sub>x</sub> .....	16.46
CO.....	6.67
VOC.....	2.45

The engineering evaluation and air quality impact analysis have been completed and no new violations of National Ambient Air Quality Standards or Prevention of Significant Deterioration Increments will occur. It is the intent of the Executive Secretary to approve the construction project.

The construction proposal and estimates of the effect on local air quality are available for public inspection and comment at the Division of Air Quality, Utah State Department of Environmental Quality, 150 North 1950 West, Salt Lake City, Utah 84114-4820. Written comments received by the Division, at the same address on or before October 18, 1997, will be considered in making the final decision on the approval/disapproval of the proposal construction.

If anyone so requests to the Executive Secretary at the Division in writing, within 15 days of publication of the Notice, a hearing will be held to explain the project and technical rationale for proposed action. A hearing will be scheduled as close as practicable to the proposed project location. Comments obtained during a hearing will be evaluated and considered by the Executive Secretary before making a final decision on the approval/disapproval of the project.

**Date of Notice: September 18, 1997**

**LEGAL NOTICE - SUBJECT TO APPEAL  
Ferron/Price Ranger District, Manti-La Sal National  
Crandall Creek Fish Habitat Improvement Project**

Project Location: Crandall Creek, immediately above Genwal Mine, T Sections 5 & 6

On Sept. 11, 1997, District Ranger Charles J. Jankiewicz decided to approve the Crandall Creek Fish Habitat Improvement Project. This work will increase the number of deep pools needed to maintain cutthroat trout populations which live in the Crandall drainage.

The complete Decision Memorandum for this project is available on request from the Ferron/Price Ranger District, P.O. Box 310, Ferron, Utah, 84523.

Forest permit holders that might be affected by this decision have the right to appeal under 36 CFR 351. Requests for administrative review must be addressed to Dale Bosworth, Regional Forester, Intermountain Region, 324 25th Street, Ogden, Utah 84401. Appeals must meet the requirements of 36 CFR 351.
