Pursuant to 43 CFR 3452.1-3, a relinquishment can be accepted if it is determined that the relinquishment will not impair the public interest and that all obligations of the lessee under the regulations and the terms of the lease have been met. Please advise whether you have any objections to this relinquishment.

Please review the relinquishment in accordance with the Memorandum of Understanding (MOU) "Processing of Requests to Relinquish Federal Coal Leases" (10-MOU-97-001).

Although the relinquishment was incorrectly filed by the operator of the lease and not the record title holders, we are forwarding the relinquishment at this time to expedite its processing. When the corrected relinquishment is filed by the record title holders, Andalex Resources, Inc. and Intermountain Power Agency, a copy will be forwarded onto you.

Sincerely,
