Dear Mr. Braxton:

As promised in our letter of April 3, 1998, enclosed is a partial relinquishment of Federal coal lease UTU-68082. The relinquishment was correctly filed by its record title holders, Andalex Resources, Inc. and Intermountain Power Agency on April 9, 1998.

You have already responded to a request to review this relinquishment. No future response is required.

Sincerely,

*DK*

**Re: Federal Lease Partial Relinquishment, UTU-68082**

Dear Mr. Lamb:

By way of this letter, GENWAL Resources, Inc., as operator, and ANDALEX Resources, Inc., as an owner of the record title interest, do hereby partially relinquish Federal coal lease UTU-68082, located in Emery County, Utah. This submittal is being made, in triplicate, under the authority found at subpart 3452.1 of Title 43 of the Code of Federal Regulations. The legal subdivisions of this partial relinquishment can be found on Attachment A following this letter and are further shown on the attached Plate.

This partial relinquishment will not in any way impair the public interest. Most of the area has never contained any economically recoverable coal resources. The remaining area has had all economically recoverable coal mined out and the area has been sealed.

Please call with any questions regarding this submittal. Thank you.

Respectfully submitted,

Douglas H. Smith, President

Federal Lease Partial Relinquishment, UTU-68082

By way of this letter, Intermountain Power Agency (IPA), as an owner of the record title interest, does hereby partially relinquish Federal Coal Lease UTU-68082 located in Emery County, Utah. This submittal is being made, in triplicate, under the authority found at Subpart 3452.1 of Title 43 of the Code of Federal Regulations. The legal subdivisions of this partial relinquishment can be found on Attachment A following this letter and are further shown on the attached Plate.

As you may be aware, the Los Angeles Department of Water and Power, for who I am the Coal Business Manager, is the Operating Agent for IPA. One of the duties of the Operating Agent is the management of IPA-owned coal properties.

This partial relinquishment will not in any way impair the public interest. Most of the area has never contained any economically recoverable coal resources. The remaining area has had all economically recoverable coal mined out and the area has been sealed.

Please call Mr. William W. Engels of my staff at (213) 367-0289 with any questions regarding this submittal.

Sincerely,

MICHAEL J. NOSANOV  
Coal Business Manager
