RE: 444 Acre Incidental Boundary Change, Genwal Resources Inc., Crandall Canyon Mine,
ACT/015/032-IB98-1, Folder #8, Emery County, Utah

Dear Ms. Grubaugh-Littig: #2

We received the referenced IBC for the Genwal Mine from your office on August 7, 1998. The proposed IBC lies on unleased Federal Coal lands on the Manti-La Sal National Forest. Until a lease modification is issued or the Mill Fork Tract is issued by BLM we cannot consent to any proposal to mine the area. We have not received a proposed lease modification for this area or confirmation from BLM that the Mill Fork Tract has been offered for lease.

If you have any questions contact Aaron Howe or Carter Reed at the Forest Supervisor's Office in Price, Utah.

Sincerely,

Aaron L Howe
