Re: 444 Acre Incidental Boundary Change, Genwal Resources Inc., Crandall Canyon Mine, ACT/015/032-IB98-1, Folder #3, Emery County, Utah

Dear Messrs. Singh and Manus and Ms. Kaiser:

The Division has received the enclosed application which proposes to add 444 acres to the Crandall Canyon Mine permit through an incidental boundary change. Although the proposed area is within the Millfork lease tract, this additional acreage is needed now, to allow Genwal Resources to continue to operate within their development schedule.

We anticipate completing our review of this proposal by August 28, 1998. Please provide your concurrence and/or comments on this project by this date. If you have any questions, please call me at (801) 538-5325 or Dave Darby at (801) 538-5341.

Sincerely,
