RE: GENWAL Return of culvert amendment binders

Dear Pam:

ACT/015/032 #2

This is the information that we received in the box. Gary told me that it was only the culvert amendment, no IBC submittals. It looks like we submitted 7 copies of the original IBC for 444 acres on July 6, 1998 and submitted 7 copies of changes on November 9, 1998.

If you have not already discarded the IBC amendment could you please send me whatever copies you can find. I would like to eliminate any potential confusion with the second IBC we have applied for. Thank you.

Sincerely,

Jean Semborski
Environmental Coordinator
