Re: 50 Acre Incidental Boundary Change (Joe's Valley Fault), Genwal Resources, Inc., Crandall Canyon Mine, ACT/015/032-IBC99-1, Folder #2, Emery County, Utah

Dear Ms. Kaiser and Mr. Manus:

The Division has received supplemental information on the proposal by Genwal Resources, Inc. to add 50 acres to their permit as an Incidental Boundary Change (IBC). The information addresses issues that were identified in a previous review. A copy of this information is being supplied to you for your information and review.

Upon our review of the information, the Division has determined that our requirements have been satisfied and we plan to issue a conditional approval of the proposal, contingent upon consent of the Forest Service and issuance of the Right of Way by the BLM.

If you have any questions or concerns about this action, please call me (801) 538-5325 or Mike Suflita at (801) 538-5259.

Sincerely,
