## **Permit Renewal Application**

R645-303-230 Permit Renewals

R645-303-231 General

The existing permit number for the Crandall Canyon Mine is C/015/032. It is an active mine. The permit expires May 13, 2003. Genwal is currently meeting the terms and conditions of the existing permit, and is not in violation of any standards of the State Program.

R645-303-232.100

This application is filed 34 days prior to the expiration date of the existing permit term.

R645-303-232.220

The existing liability insurance will be maintained and renewed annually. The Acord Form requires notification to the Division if the insurance is terminated.

R645-303-232.230

The existing bond amount of \$1,654,000 is provided by American Home Assurance Company in a surety bond form. The surety requires notification to the Division if the bond could be suspended or revoked.

R645-303-232.240

Attached is a proposed newspaper notice for public notification. Upon your approval this will be published in the Sun Advocate and the Emery County Progress. Upon completion of the publication for 4 weeks of the notice, a proof of publication by the publisher will be supplied to the Division.

R645-303-232.250

Any additional information that the Division requests will be supplied.

R645-303-232.400

No revisions accompany this application. However the South Crandall Lease permit change application has been recently approved with the condition of posting additional bond upon the completion of the leasing activity.
