Re: Compliance Review for Section 510 (c) Findings – Permit Renewal, Crandall Canyon Mine, Genwal Resources, Inc., C/015/032

As of the writing of this memo, there are no NOVS or COs which are not corrected or in the process of being corrected. There are no finalized Civil Penalties, which are outstanding and overdue in the name of Genwal Resources, Inc. Genwal Resources, Inc. does not have a demonstrated pattern of willful violations, nor have they been subject to any bond forfeitures for any operation in the state of Utah.

The recommendation from the Applicant Violator System (AVS) dated May 9, 2003 denotes that all connected entities either do not have any civil penalties or are under a settlement agreement (attached).
