Re: Updated Surface Facility Map, Crandall Cyn Mine, C/015/032

Dear Sirs,

GENWAL Resources, Inc. is submitting a permit change application updating the surface facility map. The update shows the change in the upper pad/coal storage pad and 3 portable buildings that may or may not be permanent. The buildings are associated with the contractors of the tunnel project at South Crandall. If they are decided to be permanent, another permit change will be submitted that will include the reclamation cost.

Call me at 435-564-4015 if you have any questions.

Sincerely

Gary E. Gray
Engineer/Agent
