Re: Request for Consultation for Addendum to the New South Crandall Lease
MRP Application, Genwal Resources, Inc., Crandall Canyon Mine,
C/015/0032, Task ID #2023, Outgoing File

Dear Ms. Carlton:

On August 31, 2004, the Division received an addendum to the MRP application for the Crandall Canyon Mine regarding the new South Crandall Federal Lease, in response to our August 25, 2004 deficiency review. It is our understanding that a copy of this addendum was hand-delivered to your office by Dave Shaver of Genwal Resources, Inc., on September 1, 2004. As part of the consultation for this project we are notifying you that you now have the opportunity to provide comments pursuant to 30 CFR 944.30 Article VI, Part D, 30 CFR 740.4(c)(2) and 30 CFR 740.13 (c)(5) and (c)(6).

As you know, we have been jointly reviewing this mine plan modification to add the South Crandall Lease since its original submittal in September of 2003. If possible, please submit any comments so that we can include them in our decision by September 17, 2004. If we have not received any terms and conditions by that date, we will assume that the Forest Service has no comments, terms and/or conditions.

If you have any questions, or problems in responding by the anticipated review date, please call me at (801) 538-5286.

Sincerely,

D. Wayne Hedberg
Permit Supervisor
