Underground coal mining facility that discharges mine water to Crandall Creek, a tributary to Huntington Creek.

PUBLIC COMMENTS

Public comments are invited any time prior to close of business on November 7, 2005. Comments may be directed to the Department of Environmental Quality, Division of Water Quality, 288 North 1460 West, P.O. Box 144870, Salt Lake City, Utah 84114-4870. All comments received prior to midnight on November 7, 2005 will be considered in the formulation of final determinations to be imposed on the permit. A public hearing will be held if response to this Notice indicates significant public interest. A public hearing may be held if written requests are received within the first 15 days of this public comment period that demonstrate significant public interest and substantive issues exist to warrant holding a hearing. In compliance with the American with Disabilities Act, individuals with special needs (including auxiliary communicative aids and services) should contact Charlene Lamph, Office of Human Resources at (801) 536-4413 (TDD 536-4414).

FURTHER INFORMATION

Additional information may be obtained upon request by calling (801) 538-6146 or by writing the aforementioned address. The complete application, issued permit, permittee's request for renewal of the permit, Statement of Basis, draft permit, and related documents are available for review at the Division of Water Quality, 288 North 1460 West, Salt Lake City, Utah.
