2132, Outgoing File

Dear Ms. Carlton:

On January 18, and January 31, 2005, the Division received supplemental deficiency response information for the Crandall Canyon Mine—120-acre Incidental Boundary Change to Federal Lease U-68082. On February 1, 2005, we hand-delivered copies of this information to Dale Harber of your office. We have consulted with and solicited comments from the Forest Service on the permit change information pursuant to 30 CFR 944.30 Article VI, Part D, 30 CFR 740.4(c)(2) and 30 CFR 740.13 (c)(5) and (c)(6).

On February 2, 2005, we received verbal confirmation from Mr. Harber, that the supplemental information will satisfy the remaining Forest Service comments and concerns regarding this project amendment. We will proceed to finalize our review process of this project amendment accordingly. If you have any questions, please call me at (801) 538-5286, or Joe Helfrich at 538-5290.

Sincerely,

D. Wayne Hedberg
Permit Supervisor
