Subject: Notification of Receipt & Delivery of Information for Incidental Boundary Change – Modification to Lease U-68082, Genwal Resources, Inc., Crandall Canyon Mine, C/015/0032, Task ID #2154, Outgoing File

Dear Ms. Carlton:

On February 11, 2005, the Division received deficiency response information for the Crandall Canyon Mine—120-acre Incidental Boundary Change to Federal Lease U-68082. It is our understanding that Dave Shaver hand-delivered a copy of this information to your office on February 11, 2005. We have consulted with and solicited comments from the Forest Service on the permit change information pursuant to 30 CFR 944.30 Article VI, Part D, 30 CFR 740.4(c)(2) and 30 CFR 740.13 (c)(5) and (c)(6).

We have found the latest response in compliance with our regulatory requirements. We anticipate finalizing our review and technical adequacy determination once we receive BLM notification that the lease modification approval is effective.

If you have any questions, please call me at (801) 538-5286, or Joe Helfrich at 538-5290.

Sincerely,

D. Wayne Hedberg  
Permit Supervisor
