Re: Notice of Informal Conference, Crandall Canyon Mine, Cause No. C/D15/0032

Dear Pam:

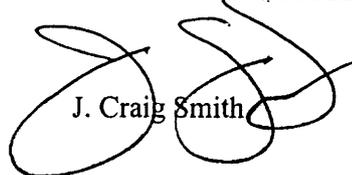

I am writing to request on behalf of the Huntington-Cleveland Irrigation Company ("Huntington-Cleveland") that the Informal Conference scheduled for December 17, 2003 at Huntington-Cleveland's request be postponed. Representatives of Huntington-Cleveland and the Crandall Canyon Mine have recently met and believe they will be able to address the concerns of the Huntington-Cleveland Irrigation Company which led to the conference request.

However, it will be impossible to put the tentative resolution into writing prior to the scheduled Informal Conference date. I would therefore, propose the Informal Conference be continued without date and that the Division contact Huntington-Cleveland in January to determine if an Informal Conference is still needed.

Thank you for your considerate of this request. Please advise me if the Division is willing to continue the Informal Conference.

Yours truly,

SMITH HARTVIGSEN, PLLC
