**Re: Midterm Review Response Extension Request, Crandall Cyn Mine, C/015/032**

Dear Sirs,

*Coppy Wayne*

GENWAL Resources, Inc. is requesting an extension of four weeks to the date of June 5, 2006 originally requested by the Division. The Division has asked for many updated documents that are time consuming to find, copy and provide in a package similar to a PAP. We appreciate your help in this matter.

Call me at 435-888-4015, or Dave Shaver at 435-888-4017, if you have any questions.

Sincerely

Gary E. Gray  
Engineer/Agent
