Subject: Re: Genwal Mid-Term Review

Dear Gary:

Thank you for your letter received May 30th. We have evaluated your request for a 4 week extension to submit the mid-term review information. The information was due on June 5, 2006. The Division hereby approves of your request and extends the response date until July 10, 2006. If you have questions or concerns, please contact me at (801) 538-5286.

Sincerely,

D. Wayne Hedberg
Permit Supervisor
Coal Regulatory Program

Pam - Shaver was asking me about the extension request for Genwal's Mid Term review. The date requested by the Division was June 5 and today is June 7. I sent the request via slow mail on May 25 (attached) instead of emailing it. Can you tell us the status? Are we in trouble?
