Subject: Re: Genwal Mid Term Review Extension Request

Dear Mr. Gray,

Your extension request for 2 additional weeks of time to complete your mid-term response is hereby granted. The extension will be based upon today's date. Accordingly, we will expect to receive your mid-term review response by 5:00pm on July 20, 2006.

Thank you,
Wayne Hedberg

Dave Shaver asked me to request another weeks extension to the due date for Genwal's submittal date for the Division's requested information. Dave met with Steve Fluke yesterday (July 5th) on the subject and Steve requested additional information to be submitted, hence the request for more time. I believe the Division had granted an extension from June 5th to July 5th. An extension of two weeks should be sufficient time to submit the additional material.
