PJ:

Hole #7 is at 1073' with 792' to go. If a #8 is done, which is doubt, it will be drilled directionally from #6 pad. Good news on the countours.

Hi Jay -

I was wondering if I could get an update on Drill Hole #7, and if we are going to drill hole #8. Dave Shaver is asking so that he can keep all of the government agencies "in the loop" on our work on the mountain.

Also, I have made some good progress on the Lila Canyon contour map. I
