This plan looks fine to me.

Ladies, Gentlemen....Attached is the plugging plan for the Crandall Canyon Mine rescue drillholes. The letters have been addressed to Jim Kohler of BLM and Tom Faddies of SITLA. Also attached is the Forest Service map of the drillhole locations, and the notes of the reclamation plan from DOGM. Please note that the drilling company will be on-site to start work next Wednesday (Oct 3) so your expedient review and approval is appreciated. Thanks
