Subject: Drill Hole #5

Hi Dave -

It looks like we will be drilling a fifth hole at crosscut 133, Entry #1. It will be an 8" hole located at:

39°28'0.57" North by 111°13'12.24" West

The pad has already been built. We expect to start drilling early Monday morning. It is on the State lease.

Please let me know if you need any more information.

Thanks,
PJ
