Subject: Crandall, Include Mine-Water Discharge Monitoring, Task ID #3605
CC: Angela Nance; Daron Haddock; Jim Smith

Hello Steve,

We receive the above-noted application on 8/25/10 in response to Item #2 of DO10A. The IR has been completed and a team can be assigned for the technical review due 9/24/10.

Please advise if you would like a copy forwarded to PFO.

Thanks!
