**Subject:** Crandall Canyon: Sludge Clean-Up Schedule

---

Hi Dana,

I just spoke with Kevin and we're both in an agreement that you need to do what you need to do irrespective of our schedules. We're basically in a 'wait and see' mode with the deposition scheduling. That said, just keep us in the loop as things develop and let us know if the scheduling changes. We'll make it down there if we can.

Thanks for the update.  
Steve
