Dear Mr. Haddock:

Subject: Phase I Bond Release Inspection for Reclaimed Areas of the East Mountain Project, Crandall Canyon Mine, Genwal Resources., Task ID #4193

The Bureau of Land Management (BLM) Price Field Office participated in the Phase I Bond Release Inspection on October 10, 2012. Crandall Canyon Mine has completed Phase I of the approved reclamation plan for the East Mountain area. The Crandall Canyon Mine has reclaimed the 9.5 acres of emergency drill pads and access roads that were built in August 2007, due to the Crandall Canyon Mine incident. The BLM concurs with the reclamation and the post mine land use change.

If you have any questions concerning this matter, please contact Sue Wiler at 435-636-3651.

Sincerely,

Patricia A. Clabaugh
Field Manager
