Sorry that this took a little while to run this information down Steve, but I hope it is useful to you. This is the information that was sent off from the Forest Service to release the bond. Let me know if there is additional information that you need.

Subject: Crandall Phase I Bond Release

Kyle,

When you get a chance, could you send me a copy of the Forest bond release letter that went to Genwal regarding the bond release on East Mountain? I'm assuming that the bond release was for the reclamation of the Forest road segment and not the maintenance bond.

Thanks for you help,

Steve
