Good morning Jay,

I wanted to send you a quick e-mail before I leave town for the next couple of days. Apparently, as a result of John Baza's ruling on the NOV matter, we're bound by the due date that he identified (which is 30 days from the date of the letter, which was May 9th, establishing a deadline of June 8th).

That said, Daron indicated that the deadline could be extended, but that you'd have to go through John. I don't have a problem with granting a time extension and I'd be happy to send an e-mail to John to that effect. I just wanted to let you know that at this point, I can't simply modify the NOV to add more time.

I'll be gone until Thursday morning. If you want to call Daron and discuss it, feel free. I'll touch bases with you when I get back.

Regards,  
Steve
