Good morning Denise,

Thanks for sending the data. I appreciate it.

Regards,  
Steve

Steve, per your request, we are providing the Division with results from the latest water sample taken at Pre-002 on June 24, 2013 at 11:30 am by JD Leonard. The total iron was 1.85 mg/L. The sulfate was 145 mg/L (the same as DOGM's June sample). Thanks, Denise
