### Coal Lease Bond Period of Liability Terminated

On August 18, 2000, coal lease bond for Federal coal lease UTU-65418, with Genwal Resources Incorporated, as principal and Lyndon Property Insurance Company, as surety, were accepted by this office. On July 24, 2019, a request was made to terminate the period of liability.

The Price Field Office by an email dated August 30, 2019, determined that all lease obligations have been met and had no objections to the termination of the period of liability of the exploration license bond. Therefore, the period of liability may be terminated effective the date of this decision.
