### Amended Bond Increase

The Bureau of Land Management (BLM) Utah State Office notified you on October 11, 2019, in reference to the bond increases. The bonds were increased due to not being sufficient to cover obligations for advanced royalty requirements. It has come to our attention that there was in error in the calculation of the increases.

The BLM is requiring that your bond for UTU78953 be increased by \$71,000. The current bond amount is \$5,000. With the added increase the total of the new coverage will be \$76,000.

The BLM is requiring that your bond for UTU88990 be increased by \$2,000. The current bond amount is \$5,000. With the added increase the total of the new coverage will be \$7,000.

BLM Manual 3474 – Bonds, Appendix 1, Page 2, dated February 18, 1988, requires a bond be held for non-producing leases in the amount equal to 1 year of advance royalty plus rental.

The compliance period to submit new bonds or bond riders to increase the amount of the lease bonds as required is 30 days from the receipt of this decision.
