Project ID: C2020-02119

Steve Christensen,

Your sample(s) submitted to Utah Public Health Laboratory (UPHL) on Thursday, June 25, 2020 were assigned the UPHL Project ID **C2020-02119**. Enclosed are the analytical results pertaining to that Project ID.

Herein are the results relating only to the sample(s) received and tested for the project C2020-02119. All associated analyses were performed following the UPHL Quality Assurance Plan. This report and its contents have been reviewed and approved by the appropriate Laboratory Staff and Supervisor(s). This report shall not be reproduced, except in full, without the written permission of UPHL.

If you have any questions regarding your results, please contact UPHL at (801) 965-2400 and reference the Project ID C2020-02119.

# Report Notes

**Report Comments**

This report contains only the results for analyses requested and tested.
Unless otherwise noted:

- Samples were received in acceptable condition.
- Samples have not been blank corrected.
- All Quality Control Samples processed yielded acceptable results.

**Report Symbol Definitions**

MDL - Method Detection Limit, a statistically estimated concentration for instrument/method/matrix sensitivity.
MRL - Method Reporting Limit, the minimum concentration that can be reported as a quantitated value.
SRL - Sample Reporting Limit, the minimum concentration that can be reported as a quantitated value taking into account limitations inherent in the sample matrix.
ND - Not Detected, tested result was not detected above MDL or MRL.
< - Less than, tested result is less than the numerical value.
U - Not detected/reported
