Subject: Final Revocation of Conditional Approval of Application for Permitting the Deer Creek Waste Rock Site, BRC Wellington, LLC, C/015/0035, Task #4966

Dear Mr. Fleck:

On October 12, 2017 the Division officially revoked the conditional approval for Bowie Refined Coal to operate the Deer Creek Waste Rock Site, pursuant to R645-303-350. The decision was subject to appeal to the Board of Oil, Gas and Mining, but BRC did not file a request pursuant to R645-130-200 within 30 days of the notification.

Because no appeal was requested, Interwest as the permittee of record will need to reclaim the site as soon as practicable, or make other arrangements with an eligible operator to take over the site.

If you have any questions, please call me at (801) 538-5320.

Sincerely,

Dana Dean, P.E.
Associate Director
