Dear Pat:

I have recently received notice that Gulf Mineral Resources Co. is planning to conduct exploratory drilling on their State coal leases located in two general areas - the Tarantula Mesa and the Kaiparowits Plateau.

To my knowledge, they have not yet contacted you; and so I am sending a copy of their plans for your review. They have requested that the information be kept confidential.

If you have any suggestions or comments, I would like to hear from you.

Yours truly,

C. J. Brinton vbl
