There will be a presentation about the proposed Coal Hollow Mine on Wednesday, April 5 at 1:00 at the DNR building (1594 West North Temple in Room 1010).

1:00 to 2:00 - Overview of project

2:00 to 3:00 (approximately) - Sage grouse discussion

Allen Childs with Talon Resources (the consultant who put the mining and reclamation plan together) will have Patrick Collins and Steve Peterson available to discuss the proposed mitigation of sage grouse.

Everyone is welcome to attend.

Thank you. Pam
