Subject: Re: Alton Coal Mine Permit

Hi, Lori. Alton Coal Development Company hasn't resubmitted their application yet. They did say sometime in May.

Pam

Hi Pam,

My name is Lori Maximenko from Hatch, UT. I called you about a month ago regarding the status of the permit to mine the private land in Alton, Utah. I was wondering if you have heard from the investors and if they have resubmitted their application yet. If they haven't, can you make a note to let me know when they do so we can review the file?

I appreciate your help with this.

Best wishes,
Lori Maximenko
