Thanks, Dana. I was also hoping to hear from you regarding the consultation letter that we sent regarding Coal Hollow - did you have something for that as well?

Steve

Steve,

I have attached the forms you may use to file an unsuitability petition.

As I had thought, the Tech. Memos for Coal Hollow were never sent to be finalized. I have asked that they be finalized and posted ASAP. I have also reiterated to all that the process is to finalize everything at the same time so that documents get to our Public Information Center, and online as soon as possible.

Please let me know if you need anything else.

Thank you,
