Re: Sierra Club v. Oil, Gas & Mining

Appellate Court No. 20140921-SC

On October 15, 2014 a Petition for Extraordinary Writ was received by the Utah Supreme Court. The case number is 20140921 and should be indicated on any future filings.

Within 7-days after service of the petition, respondent may file a response. Therefore the response is due on October 27, 2014.

This court will permit documents that do not require a filing fee to be filed by email. The emailed document, which must bear the required signature, will be accepted as an "original" document until the true original and any required copies are received by the court. The original must be received by this court within 5 business days from the date of the transmission by email. If the original is not received within that period, the court will treat the email filing as void. An emailed filing is considered "received" when stamped by the clerk's office. The time for stamping is limited to regular office hours (weekdays, 8:00 a.m. to 5:00 p.m.). All risks associated with filing by email are borne by the sender. The email address for the Supreme Court is supremecourt@utcourts.gov and for the Court of Appeals is courtofappeals@utcourts.gov.
