Technical Analysis and Findings
Utah Coal Regulatory Program

PID: C0250005
TaskID: 4510
Mine Name: COAL HOLLOW
Title: CHANGE IN OWNERSHIP & CONTROL

General Contents

Identification of Interest

Analysis:

This amendment makes the following changes in the Alton Coal Development, LLC ownership and control:
 Larry Johnson is General Manager (Sections 112.310, 112.320, 112.330, and 112.420).
 Robert Nead, Jr. is President of Operations (Sections 112.310, 112.320 and 112.330). A beginning date for Mr. Nead, Jr. and an ending date for Chris McCourt in this position is provided (Section 112.330).
 The person responsible for AML payments is Robert Nead, Jr. (Section 112.330).
 James Wayland is a manager (Sections 112.310, 112.320, 112.330 and 112.420).
 James Wayland is a member (Confidential Binder, Section 112.320).

Deficiencies Details:

The title listed for James Wayland is not the same in the Confidential binder as in the MRP. James Wayland is a MANAGER in Sections 112.310, 112.320, 112.330 and 112.420 of the MRP. James Wayland is a MEMBER in the Confidential Binder, Section 112.320.

In accordance with R645-301-121.200, the confusion might be best eliminated by describing Mr. Wayland's position in all MRP Sections listed above (Sections 112.310, 112.320, 112.330 and 112.420) and in Confidential Section 112.320 as Managing Member of Alton Coal Development LLC (personal communication from Mr. Bayer, 2/3/2014).
