Hello Daron/Priscilla,

It is my understanding that the submittal for Citation 16149, task ID #4776 is being rejected. Although I have not received a copy of the rejection letter, I would like to request an extension of time. Compliance with the NOV was due today, March 12, 2015. Alton Coal would request an additional 30 days extending the compliance date to April 11, 2015 to respond to the letter once received.

Thank You
