Dana, on behalf of Alton Coal Development, LLC, we appreciated the opportunity to meet with you, Daron and Cheryl Parker regarding the bond calculations for the Coal Hollow Mine MRP. Attached is the cover letter and the bond calculation spreadsheet which we hand delivered to the Division on Wednesday. We understand that Cheryl Parker is reviewing the calculations and that the Division will be back to us shortly with any comments. Once we receive these comments, Alton Coal will submit the information required by Division Order 15-A as an amendment to the MRP with a C-1 and C-2 application form and a red-line strike out of any changes to the text. Thanks again for taking the time to meet with ACD last week.
