Hello Denise,

After reviewing the information you provided and Priscilla's recent inspection we are allowing a 15 day extension to May 15, 2015. I believe we are also still missing some information for the bond, such as swell factor and Drew should be working closely with Cheryl on that. We need to be able to agree on a bond amount.

Priscilla mentioned a large subsoil pile that has not been seeded. If it is not to be used or moved in the next month, it should be seeded or a violation may occur.

Thank you,
Dana
