Subject: Notification of Bond Release Application and Invitation to Attend Phase I Bond Release Inspection for Reclaimed Areas, Alton Coal Development, Coal Hollow Mine, Permit #C/025/0005, Task # 7788

Dear:

Alton Coal Development has applied for Phase I Bond Release for selected mining areas. You are invited to attend the Phase I bond release inspection on Tuesday October 6, 2015 at the Coal Hollow Mine. The Division of Oil, Gas and Mining has invited you base on your potential interest in the mine site. If you are unable to attend you may provide written comments. Your comments must be post-marked by October 9, 2015. Please send your comments or request for public hearing to me at

Coal Regulatory Program
Division of Oil, Gas and Mining
Box 145801
Salt Lake City, Utah 84114-5801

The reclamation area consists of approximately 113 acres located in sections 19 and 30, T39S. R5W, Alton Coal Development completed the reclamation work in the years 2012-2015. The phase I bond release application is for a liability reduction of \$23,109, 656 from the ultimate disturbance liability of \$34,202.758.

We will meet at the mine office approximately four miles south of the town of Alton. The bond release inspection will commence at 8:30am and could take a few hours. Please be prepared for light hiking on relatively flat terrain.
