Hello Mr. Bennett,

Thank you for your explanatory letter.

Utah Coal Mining Rule R645-301-114.100 requires a description of right of entry documents by type and date of execution. Therefore, I requested any subsequent documents signed by both parties to extend the original 2004 Pugh lease beyond its ten year term. By your response, I understand that the lease renewal does not require additional documentation, rather the extension is inherent to the existing lease for the life of mine.

Sincerely,

Priscilla Burton, MS, CPSSc
