*In accordance with the provisions of the Utah Coal Mining and Reclamation Act, Utah Code Ann. § 40-10-1 et. seq. (Act), the above referenced Citation is:*

**Modified as follows:**  
To abate NOV 21165, the Permittee will not only provide as-built drawings as described in the violation issued 3/9/2016, but also the Permittee will provide an update to the narrative in the Mining and Reclamation Plan (MRP) Chap. 5, Sections 526.220 and 526.300 to reflect current information shown on as-built drawings, such as all buildings and drainage controls. Plans must be complete and adequate and be filed with the Division by March 31, 2016.

**Reason for modification:**  
The modification will ensure that the MRP is current regarding surface facilities information.
