Hello Kirk,

I am returning the clean copies of the above-noted task to you for re-submittal.

C2 Form:

Please re-do the C2 form to include only those pages to be incorporated into the MRP. Also, please provide a location on the C2 form as to where the figures are to be located in the MRP. It appeared to me that some of the figures included are replacements rather than additions. Please note this on the C2 form, which figures are being replaced and which figures are being added.

Clean copies:

Only include those pages to be incorporated in the MRP.
The Chapter 8 text is in redline strikeout rather than clean copy.
Also, please organize the clean copies and identify Appendix 8-1 and Appendix 8-2 pages.

I will mail the clean copies to you today. Please return the corrected clean copies by June 3, 2016.

Thank you
