Hi Nicole,

I am sending a copy of the "draft" application for the [Alton 30](#) acre expansion area. At this point it is still considered to be draft since a lease is yet to be issued. Hopefully, this will give you a head start on processing the application when it becomes official. It is being sent through google drive as it is a large document. Thanks, Daron

Hey Daron,

I forgot to ask if you received a PAP for this yet.

Thanks,
