Hello Nicole,

This is a follow-up email that Daron had sent to you regarding the Coal Hollow, LBA Block 1 application.

Daron had sent the application to you to determine if Coal Hollow, LBA Block 1 requires federal mine plan modification.

Coal Hollow is including the first LBA federal coal block known as Federal Block 1 or LBA Block 1. Upon approval, Coal Hollow will become a federal mine.

Please provide a copy of your determination as soon as possible.

Thank you so much,"

Suzanne
