Attention: Cleon B. Feight

Dear Mr. Feight:

Enclosed herewith are four (4) copies of an Addendum to our Southern Utah Fuel Company Mine Plan. The purpose of this Addendum is to upgrade our existing mine plan in order that approval can be obtained to allow mining of our newly acquired lease properties east of the present permit area. Also, we believe that this Addendum brings our mine plan into compliance with the permanent program regulations of the Office of Surface Mining.

Under separate cover we have sent copies of the Addendum to the offices of the 1) Office of Surface Mining and Enforcement, 2) U.S. Geological Survey, 3) Fishlake National Forest Service, and 4) Manti La-Sal National Forest Service.

We intend to fully cooperate with the Division of Oil, Gas and Mining as well as the other agencies to achieve the objectives of this Addendum.

Sincerely,

Leo C. Smith
