Re: Meeting on SUFCO Mine Plan  
ACT/041/002

Dear Mr. Frame:

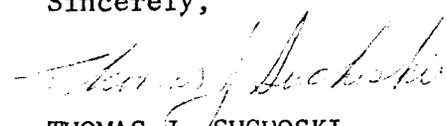

I appreciate the attitude generated in your letter of March 23, 1979 and during our telephone conversation of March 29, 1979. It is very important to keep the lines of communication open by open and friendly exchanges.

As we discussed in our conversation the Division staff is planning to meet with you and any other representatives of SUFCO who you feel would help to further the approval process. This meeting is scheduled to be held at the Division of Oil, Gas, and Mining on April 9, 1979, at 1:00 pm. I have since contacted Mr. Murray Smith of the Office of Surface Mining, and he stated that either he or another representative of the Office of Surface Mining would be present. An invitation to attend the meeting has been extended to the State Division's of Health and Water Rights, as they will need to review the plans of the sediment pond structures.

I hope this is acceptable to you. If you have any questions please feel free to contact me.

I am looking forward to meeting with you to discuss SUFCO's plans.

Sincerely,

  
THOMAS J. SUCHOSKI  
RECLAMATION HYDROLOGIST
