Re: Convulsion Canyon Mine
Southern Utah Fuel
Sevier County, Utah
ACT/041/002

Dear Doug:

Attached please find a copy of the total mine plan for Southern Utah Fuel Company's Convulsion Canyon Mine proposed to be expanded this winter.

You will recall that on December 18, 1979 Mary Ann Wright requested a consultation with your Division on the design of the wildlife plan for this mine.

If you have no need for the attached document following your use of same, the Division is willing to recycle all these volumes back to the operator.

Sincerely,

RONALD W. DANIELS
COORDINATOR OF MINED
